

## Health Solutions

Are you interested in becoming a dietitian, health coach, medical doctor, strength and conditioning specialist, physical therapist, or physician assistant? Our graduates are well-equipped to make a positive difference in health and health care as the industry continues to evolve. Come explore the wide range of health and wellness degrees offered at the Downtown Phoenix campus.

Presented by: The College of Health Solutions

## Journalism and Mass Media

Learn the skills and techniques to become an on-air reporter, podcaster, sports anchor, digital marketer, social media manager, photojournalist, corporate communicator and more! The Cronkite School's world-renowned, hands-on programs let you pursue your passion and prepare for your dream job.

Presented by: The Walter Cronkite School of Journalism and Mass Communication

## Nursing and Health Innovation

At the Edson College of Nursing and Health Innovation, we're focused on improving health care and health outcomes through community health, health entrepreneurship and innovation, direct patient care, care coordination, compliance, integrative health and more. Join us to learn about our degree programs, admission requirements, student experience and how we take an interdisciplinary approach to prepare students for the next generation of health care careers.

Presented by: The Edson College of Nursing and Health Innovation

## Popular Music and Fashion

The Herberger Institute now offers popular music and fashion degree programs at the Downtown Phoenix campus in a brand new facility. Create your individualized plan and study at the nation's largest design and arts school within a research university.

Presented by: The Herberger Institute for Design and the Arts

## Public Service

Our students, faculty, and staff aspire to be the solution we want to see in the world. A career in public service can come from many degrees, such as public service and public policy, nonprofit leadership, parks, recreation and sport management, social work, criminology and criminal justice, tourism and more.

Presented by: The Watts College of Public Service and Community Solutions

## Sciences and Arts

Learn about our degrees that emphasize career-connected learning and prepare graduates who can integrate knowledge. At Downtown Phoenix campus you can pursue a communication major and internships in a hub for business, media, government, health care, culture and the arts. You can also design a personalized path as an interdisciplinary studies major, combining two concentrations of your choosing from more than 100 options!
