

## Business

Hear from a panel of current students who will share with you their experience as a W. P. Carey student! Direct admission to our programs means you're a business student from your first day, providing you with an excellent opportunity to match business with your passion.

Presented by: The W. P. Carey School of Business

## Engineering and Technology

Are you interested in becoming an engineer, computer programmer, aviation professional or working with artificial intelligence? We treat our students as engineers from day one. Discover the 25 degree programs offered by the Fulton Schools and how to customize your experience through the Fulton Difference.

Presented by: The Ira A. Fulton Schools of Engineering

## Health Solutions

At the College of Health Solutions, our degree programs prepare you to reimagine health and create a better future by addressing the challenges people face trying to stay healthy, improving their health and managing chronic disease. Attend this session to discover how you can join a community of partners working together to solve specific health challenges.

Presented by: The College of Health Solutions

## Nursing and Health Innovation

At the Edson College of Nursing and Health Innovation, we're focused on improving health care and health outcomes. Join us to learn about our degree programs, nursing admission requirements, student experience and how we take an interdisciplinary approach to prepare students for the next generation of health care careers.

Presented by: The Edson College of Nursing and Health Innovation

## Sciences and Arts

Learn about our degrees that emphasize career-connected learning and prepare graduates who can integrate knowledge. Hear about options that are great preparation for your advanced training in medical-adjacent careers, such as our concentrations in pre-veterinary medicine, pre-dental, sports and performance counseling, substance abuse and addictions.

Presented by: The College of Integrative Sciences and Arts

# Student Experience sessions

## Start here: Pick one Student Experience Session
