Student Experience sessions

**Study Abroad**
Study abroad programs can last as little as a week, as long as a year, or somewhere in between. Learn more about opportunities, and how financial aid and scholarships can apply to study abroad.

*Presented by the Study Abroad Office*

**Financial Aid for Arizona Residents**
Discover the financial aid opportunities available to you as an Arizona resident. Learn about different types of aid and the financial aid process, and walk away knowing your next steps toward funding your Sun Devil experience. This session is only for high school seniors.

*Presented by Financial Aid and Scholarship Services*

**Financial Aid for Out-of-State Students**
Discover the financial aid opportunities available to out-of-state residents. Learn about different types of aid and the financial aid process, and walk away knowing your next steps toward funding your Sun Devil experience. This session is only for high school seniors.

*Presented by Financial Aid and Scholarship Services*

**Student Engagement**
Get involved at ASU: make friends, have fun and learn outside of the classroom. Learn how you can immerse yourself in ASU traditions, join a student organization and serve your community. Explore your options and enjoy Sun Devil life!

*Presented by Student Events and Programming*

**Family Information Session**
Your student is starting an exciting new chapter as a college student. Learn about resources available for families to help your student adjust to life as a Sun Devil.

*Presented by the Sun Devil Family Association*

**Career in Health**
Do you want to become a health provider, such as a physician or physical therapist? Discover a wide variety of career opportunities within health and health care, including pre-health and pre-med, nursing, health and human services, and careers in the business of health. Join us to learn about career paths and majors at ASU that will support your passion and prepare you for your dream job.

*Presented by the College of Health Solutions, College of Nursing and Health Innovation, and College of Integrative Sciences and Arts*

**Barrett Honors**
Explore this tight-knit community of scholars who enjoy the considerable resources of a premier Research 1 university. Learn why Barrett is considered the gold standard among honors colleges in the nation, from the admission process to the opportunities available to honors students.

*Presented by Barrett, The Honors College*

**Greek Life**
More than 70 fraternity and sorority organizations at ASU provide opportunities to establish bonds with the most dedicated, talented and diverse people on campus — and be a part of a global network of alumni that will last a lifetime. Learn more about the Greek Leadership Village, the student-led project that supports leadership, growth, and development of fraternity and sorority life.

*Presented by Fraternity and Sorority Life*
