Ten of the top public research universities around the country have partnered to help you and your family navigate the national college search process in a virtual world. This is an opportunity to engage with admission experts to learn how to effectively search for and compare colleges, pay for your education, and find the academic and student experience that is right for you.

You are invited to the Terrific 10: College Exploration Series, October 11–27, 2021

Sessions are hosted by:

- Arizona State University
- Clemson University
- Penn State
- The University of Texas at Austin
- University of California San Diego
- University of Colorado Boulder
- University of Georgia
- University of Illinois at Urbana-Champaign
- University of Nebraska
- University of Oregon

We have teamed up to host joint virtual information sessions for prospective students, their families and high school counselors to discuss:

- Navigating the college search and admission processes.
- Paying for college with scholarships and financial aid.
- Exploring academic interests and career opportunities.
